

New car helps JCA fund-raising

STANDING NEXT to the car are from left: Patricia Williams, fund-raising committee chair and Kamala Jean Goble, in charge of corporate fund-raising.

The Jamaican Canadian Association (JCA) is serious about getting its new building refurbished as a community centre. Last weekend the community organisation took possession of a brand new 1998 Mercury Mystique to launch its latest fund-raising drive — a raffle that is expected to bring in some \$100,000.

This is the second car to be raffled by the JCA. The first one — for a 1997 Ford Escort — sold 12,000 tickets and netted about \$44,000.

Other prizes for this latest raffle include a Carib-

bean cruise for two and a microwave oven.

Tickets are \$5 each and can be purchased by calling the JCA at (416) 746-5772. Other ticket outlets will be announced soon.
